

# Houston Retailers "drive" one home for the [Texas Children's Hospital](#)

POSTED FEB. 11, 2010

Last October, the Houston retailers, along with the Ace Retail Support Center in Dallas, hosted their third annual golf tournament to benefit [Texas Children's Hospital](#). The 100 participants enjoyed contests, raffles, an auction, great camaraderie and some famous Texas barbeque.

"I am always amazed at people's generosity, especially in today's economic climate," said event coordinator Mary Dickson, Human Resources Manager at the Dallas RSC. "Kids get sick every day and we were able to raise \$30,000 for the cause."

At a recent Houston Retailer Group event, a check representing the proceeds from the event was presented to Camille Landry from Texas Children's Hospital in Houston.
